Dear Mr. Olson,

I am the Upper Animas Community Involvement Coordinator for the Environmental Protection Agency. Paula Schmittiel and Liz Fagen, the Upper Animas Remedial Program Managers, and I are meeting with folks in Durango and Silverton to learn more about the area and community concerns related to water quality and the environment. We understand the San Juan Citizens Alliance has been active in watershed, and we would like to learn more about the organization and your perspective on these topics.

We will be in the area next week and would like to talk with you, if you are available Monday afternoon, Jan. 26 (after 2:00 pm) or Tuesday morning, Jan. 27, (before 10:00 am) for a short meeting in Durango.

Please let me know if you are available either of those dates, and we can set up a time to meet.

Best regards,
Cynthia Peterson
